ABOUT INDIAN COUNSELLING SERVICES

Indian Counselling Services (ICS) was founded in 2020 by Mr. Somnath Sinha to address the growing need for mental health support and psychology education. Committed to accessibility, ICS offers practical psychology courses aligned with the National Education Policy 2020, empowering professionals, educators, and students. Beyond courses, ICS provides career counseling, free webinars, training programs, and mental health initiatives. Focused on holistic support, ICS strives to make psychology engaging, flexible, and impactful for all. Through education and awareness, we aim to foster mental well-being and equip individuals with the skills to support their communities.
