ABOUT INDIAN COUNSELLING SERVICES

Indian Counselling Services (ICS) was founded in 2020 by Mr. Somnath Sinha to address the growing need for mental health support and psychology education. Committed to accessibility, ICS offers practical psychology courses aligned with the National Education Policy 2020, empowering professionals, educators, and students. Beyond courses, ICS provides career counseling, free webinars, training programs, and mental health initiatives. Focused on holistic support, ICS strives to make psychology engaging, flexible, and impactful for all. Through education and awareness, we aim to foster mental well-being and equip individuals with the skills to support their communities.

INDIAN COUNSELLING SERVICES

OUR ACCREDITATIONS & RECOGNITIONS

UNICEF - UNICEF (United Nations International Children's Emergency Fund) is a UN agency dedicated to protecting and promoting the rights and well-being of children worldwide.

WHO - The World Health Organization (WHO) is a specialized agency of the United Nations responsible for international public health.

Vision & Mission

Our Vision

We envision a world in which everyone has access to the best online psychology courses, allowing them to obtain practical knowledge, understand human behavior, and make meaningful changes in their personal and professional lives

Our Mission

Our mission is to transform online psychology education by bridging theory and practice. We provide practical, accessible mental health training, empowering teachers, counselors, and professionals to enhance their skills and foster better mental well-being in their communities.

MESSAGE FROM COMPANY CEO AND FOUNDERS

Mr. Somnath Sinha
Co-Founder & CEO

Mr. Sanjay Sinha
Co-Founder & COO

Mr. Rahul Nakra
Co-Founder & Business
Head

At Indian Counselling Services, our mission is to empower individuals through high-quality counseling and psychology courses. As founders – Somnath Sinha, Sanjay Sinha, and Rahul Nakra – we are committed to shaping future professionals in mental health.

In today's world, the demand for trained counselors is rising. Our carefully designed programs provide theoretical knowledge and practical training to help students excel in this field. We believe learning should be accessible, practical, and transformative, ensuring that every student gains valuable skills to make a meaningful impact. With expert faculty and a research-based curriculum, we strive to set new standards in psychology education. Join us in our journey of learning, growth, and impact to build a future where mental health support is strong and accessible.

OUR TRAINERS

Mrs. ARPITA ROY

RCI licensed Clinical and Rehabilitation Psychologist, trained at the Institute of Psychiatry – Centre of Excellence, Kolkata. She holds a PGDRP from the University of Kolkata and has experience across neuropsychiatry clinics, de-addiction and rehab centers, schools, NGOs, and academic institutions. She has also served as a lecturer at the University of Kolkata.

"CLINICAL AND REHABILITATION PSYCHOLOGIST (RCI-Licensed)"

Aakriti Khosla

Aakriti is a Counselling Psychologist who has conducted over 500 sessions, impacting 1,000+ lives. She uses expressive arts, mandala work, and mindfulness techniques, and actively promotes mental wellbeing through workshops and awareness talks.

"Counselling Psychologist, Certified Arts-Based Therapy, Mindfulness Coach, Mandala Art Therapy Practitioner, EFT Practitioner"

Simran Raina Sharin

I'm a licensed Clinical Psychologist and founder of beMore Wellness, with experience across RML Hospital, Fortis, and SGT Medical College. I specialize in relationship issues, adolescent mental health, mood disorders, and trauma-informed care. My approach blends evidence-based therapies like CBT, DBT, and EFT. I also lead workshops for corporates, schools, and athletes —making mental health accessible, human, and real.

"Clinical Psychologist, Mental Health Wellness Expert"

OUR TRAINERS

Sonali Grover

She is an RCI-licensed psychologist. She has vast experience working as a psychologist, ABA Therapist, and Child Psychologist, with expertise in various neurodevelopmental disorders such as Autism, ADHD, & Learning Disability. Likewise, she conducts Psychoeducational evaluations, is a happiness coach and is a corporate trainer.

"RCI-Licensed Psychologist, ABA Therapist, Happiness Coach "

Ms. Kavetri

Kavetri Bhoj Rawat is an accomplished Counselling Psychologist with over 10 years of experience in school-based mental health programs. She has handled 300+ clinical cases ranging from anxiety, depression, and emotional dysregulation to SLD, IGD, and classroom incivility. POCSO-trained and ethically grounded, she creates a safe, confidential space for her clients.

"Counselling Psychologist, Career Counselling, Corporate trainer, Educationist, Ex Marketing professional "

Tanyaa Chadha

She is a Certified NLP Trainer with a Master's degree in Counselling Psychology from Mahatma Gandhi University. She holds additional certifications in Autism and ADHD from the University of Derby. As a World Health Organization (WHO) member, she brings expertise and dedication to mental health and psychology.

"Counselling Psychologist, Mental Health Wellness Expert"

About the Program

This innovative, hands-on program offers students and professionals practical experience in school counselling, focusing on Cognitive Behavioural Therapy (CBT) and its application in educational settings. Participants will explore key areas like student motivation, leadership, team dynamics, school culture, and developmental support.

Key Learning Outcomes:

- ✓ Foundations of School Counselling
- ✓ Developmental Psychology of Children & Adolescents
- ✓ Student Motivation & Academic Engagement
- ✓ Hands-on Experience in School-Based Counselling
- ✓ Supporting Student Mental Health & Preventing Burnout
- ✓ Behavioral & Emotional Assessment in School Settings
- ✓ Leadership Skills & Conflict Resolution in Schools

PROGRAM CURRICULUM

 **Duration:** 10 Months–1 Year

MODULE 1:

CHILD PSYCHOLOGY PRACTICAL PROGRAM

The Child Psychology Practical Program is designed to give students and professionals hands-on experience in understanding the emotional, cognitive, and behavioral development of children. This program combines theoretical knowledge with real-world application through:

KEY LEARNING

- Introduction to developmental psychology and the role of a child psychologist
- Understanding case history and mental disorders in children
- Assessment of disorders and approaches to interventions
- understanding intervention techniques, and art therapy

MODULE 2:

PSYCHOLOGICAL ASSESSMENTS AND TOOLS

Psychological assessments and tools are standardized methods used by mental health professionals to evaluate an individual's cognitive, emotional, behavioral, and psychological functioning. These include tests, interviews, questionnaires, and observation techniques. The goal is to gain deeper insight into a person's mental health, support diagnosis, guide treatment planning, and track progress over time.

KEY LEARNING

- Understanding of Assessment Types and Uses
- Ethical and Culturally Sensitive Administration
- Interpretation and Reporting of Results
- Integration into Treatment Planning

MODULE 3:

COUNSELLING PRACTICAL INTERNSHIP

Counselling is a professional, supportive process that helps individuals manage emotional, psychological, or behavioral challenges. It offers a safe, confidential space to explore thoughts, build coping strategies, and promote positive change through empathy, active listening, and non-judgment.

KEY LEARNING

- Case History & Mental Status Examination
- Understanding Mental Disorders & Stress Management
- Genogram & Supporting Therapies (CBT)

MODULE 4:

COGNITIVE BEHAVIOURAL THERAPY

Cognitive Behavioural Therapy (CBT) is a structured, time-limited, evidence-based psychotherapeutic approach that focuses on identifying and modifying maladaptive thoughts, emotions, and behaviours. It is based on the concept that thoughts, feelings, and behaviours are interconnected, and that changing negative thought patterns can lead to changes in emotional well-being and behaviour.

KEY LEARNING

- Thoughts, Emotions, and Behaviours Are Interconnected
- Identification of Cognitive Distortions
- Use of Structured Tools and Worksheets
- Importance of Psychoeducation
- Goal-Oriented and Time-Limited Approach

MODULE 5:

ART AND MOVEMENT THERAPY PRACTICAL PROGRAM

Art and Movement Therapy combines creative expression with physical movement to support emotional, psychological, and physical well-being. Through activities like drawing, painting, dance, and body-based exercises, individuals can explore their emotions, release tension, and develop self-awareness without relying solely on verbal communication.

KEY LEARNING

- Understanding the Therapeutic Role of Creative Expression
- Development of Practical Skills in Art and Movement Techniques
- Enhancing Self-Awareness and Mind-Body Connection
- Adapting Techniques for Different Populations and Settings
